

# Not covered by a group health plan? Concerned about health & dental expenses?

**Find the coverage that's right for you and your family with a Health Assist plan from GreenShield Insurance.**

You can choose a plan that offers prescription drug coverage, dental or a combination of both. Plus, all plans provide coverage towards vision care, extended health care (like registered massage therapists and chiropractors), and emergency medical travel protection. As well as health care at your fingertips with access to digital benefits and services that will improve your overall health and well-being. Your acceptance is guaranteed for many plans – no medical questions asked\*. Best of all, Health Assist plans are easy to understand and easy to get.

Plans provided and underwritten by **Green Shield Canada Insurance.**

\*Acceptance is guaranteed for select plans as long as Green Shield Canada Insurance receives the initial payment; other plans require completion of a health questionnaire and medical underwriting.
